Pray that the Pallegar pension of Rs 48.11.8 of the deceased Venkataraju of Anegondi Family may be distributed & registered separately in the names of himself and Venkataramaraju.

benefit of that of the petitioner in Equal shares, was sent to the Dewan's Office on 14.9.15 for submission to the Dewan.

2- In both the petitions now presented to the Dewan & the Khazana Bakshi, Narasimharaju, younger of the claimants seeks separate registration on the ground that Venkataramaraju, the Elder is subject to epileptic fits & being a dependent on his female relations may ~~not~~ remove his place of residence thus causing inconvenience to the petitioners.

3- ~~It is not clear~~ The Khazana Bakshi however simply forwards the petition in continuation of his report on the case now in the Dewan Office.

4 It is therefore a matter for consideration whether Narasimharaju's prayer for separate registration may be enquired into by the Khazana Bakshi or whether these papers forwarded to the Dewan Office in continuation.

On second thoughts I do not consider it desirable to Counsel the Khajana Bakshi as stated above, as the main file on the subject with a draft order is before the Dewan. In that file the Khajana Bakshi refers to this Contention about separate registry ~~of the~~ ~~petn~~ urged by the present petn. and ~~to~~ he was against separate registry. If pensions are to be continued it is much better that large sums should be ~~settled~~ granted to the principal members of the family ~~rather~~ than that small portions should be divided among a number of minor claimants. The S. H. Ty office will of course take care to see that the amounts payable to sub shares are duly paid to them though the total amount may be in the name of the registered barnadar.

DIARY NO. 20

Sir,

I Narasimharaju beg humbly to represent that I am the nephew of the late Venkataraju,a Palyegar pensioner of the Anegondi family,who was in receipt of a pension of Rs 48-11-8 per month from the State Huzur Treasury and who died on the 8th April 1915.

The deceased having been unmarried, has no children of his own,and my elder brother Venkataramaraju,myself are the only surviving nearest heirs to the deceased.

In connection with the devolution of the deceased's pension an enquiry was held by the State Huzur Officer,in July last,when I prayed that the pension enjoyed by the deceased,may kindly be divided ~~by~~ equally between myself and my brother and my share registered separately in my name.

It is now some months since the demise of my uncle,and no orders have issued. Poor as I am,I am put to great difficulties, as we more or less depended upon the deceased.

I now respectfully beg that early orders may be passed distributing the pension between my brother and myself, and that my share may be registered separately in my name and that I be allowed ~~separately and~~ to draw my pension separately and independently of my brother. I may add that my brother is epileptic, and depends more upon his female relation, and is also likely shortly to remove himself to his father-in-law's place. If therefore my share is not separately registered, I shall be put to great inconvenience, and cannot go, month after month, in search of my brother whereever he may be residing to receive my moiety. I beg that in these circumstances my humble prayer will receive your most generous consideration and that early orders will be passed regarding the pension and the separate registry. Should any further information be required in this matter, I shall be glad to furnish the same, if kindly intimated.

For which act of kindness I shall feel highly grateful.

I beg to remain,
Sir,
Your most obedient servant.

SIR,

With reference to your O.M. No.Fl.2412/S.A.31-15-3 dated 27th November 1915 re Venkataraju of the Anegondi's Family, I have the honor to state that the petitioners apprehension that he will be put to trouble, in case his portion of the pension be not separately registered, appears to be well founded. I have seen his brother Venkatramaraju. He appeared to be very sickly and of weak intellect. As he himself is required to be cared for, he cannot be expected to look after his brother. In these circumstances, I think that half of his uncle's pension of Rs.48-11-8 which I had recommended to be continued in the name of his brother Venkatramara in my letter No. 69 dated 11th August 15 may be registered in the petitioner's name and the other half in the name of his brother. If the petitioner had pressed for separate registry, when he appeared before me, I should have made my recommendation to that effect.

I have the honor to be,

Sir,

Your most obedient servant,

Khazana Bakshi.
